Re: Application of House Bill Number 1247

Dear Mr. Barrett:

## OFFICIAL OPINION

Attorney General Jim Hood is in receipt of your opinion request and has assigned it to me for research and reply. In your letter, you ask if the analysis of our opinion to the Honorable John Lamar dated June 11, 2019, would also apply to the Holmes Community College District Board of Trustees. It is the opinion of this office that it does. In the Lamar opinion, we stated that we are unable to provide an opinion as to the definitive meaning of H.B. 1247:

As a general matter, H.B. 1247 is confusing, internally inconsistent and defies consistent application as a whole. In our opinion, the self-contradictory and confused language of H.B. 1247 is ineffective to cause any change in current law. Consequently, in the absence of any clear guidance from the Legislature (which is not provided in H.B. 1247), it is the opinion of this office that the amendatory provisions of H.B. 1247 are ineffective to change either the current version of Section 37-29-65 or Section 37-29-457. Accordingly, it is our opinion that the provisions of these sections as now written and codified remain in effect.

In the alternative, the Board of Trustees could seek guidance from a court of law in the form of a Declaratory Judgment as to the meaning and effect of H.B. 1247.
