

RETENTION AGREEMENT

WHEREAS, the Attorney General of the State of Mississippi (the "Attorney General") has determined that claims (the "Claims") should be brought against certain Coordinated Care Organizations ("CCOs"), as well as other corporations, firms, or persons that may be found to be liable as a result of losses sustained by the Mississippi Division of Medicaid ("DOM") related to fraud, waste, incorrect payment, or overpayment;

WHEREAS, the Attorney General has authority to bring an action asserting the Claims on her own behalf and/or on behalf of the State's subdivisions, including DOM, pursuant to Miss. WHEREAS, the Attorney General has determined that the investigation, research, and litigation of the Claims may require the expenditure of large sums of money and require work over an extended period of time by numerous lawyers, paralegals, and others who are familiar with CCOs and related entities and individuals and their potentially wrongful actions and/or inactions and related issues; and

WHEREAS, the Attorney General has further determined that, as discussed in Exhibit A, it is in the best interests of the State and its citizens that the State retain attorneys experienced in investigating and prosecuting the Claims; and

The Attorney General is not required, however, to assign any member of her staff to pursue the Claims, but may from time to time afford staff and other support services as the Attorney General deems appropriate.
3. The Attorney General and Liston & Deas both recognize that the Claims present numerous factual and legal obstacles and that no assurance of success of the Claims has been or can be made.

4. The Attorney General and Liston & Deas both recognize that the Claims present numerous factual and legal obstacles and that no assurance of success of the Claims has been or can be made.
5. The Attorney General shall maintain responsibility for the public distribution of information concerning this matter. All press inquiries shall be referred to the Attorney General for comment and response.
6. Notwithstanding the potential difficulties, Liston & Deas has agreed to represent the State on a fully contingent basis, and the Attorney General hereby agrees that the Firm will be compensated for recoveries by the State of Mississippi and DOM the following basis:
 - A. Recovery of Attorneys' Fees: The sole contingency upon which Liston & Deas shall be compensated is a recovery achieved as a result of prosecuting the Claims, whether by settlement or judgment. The amount of the Firm's compensation shall be determined by the Court. Liston & Deas shall seek compensation in the form of a percentage of the recovery achieved for the State of Mississippi or DOM, net of expenses, and the Firm shall limit the percentage sought to the percentage that corresponds to DOM's estimated individual recovery set forth in Exhibit B attached hereto, plus reasonable and necessary costs as defined below. Any fee that Liston & Deas wishes to request shall be subject to the consent of the Mississippi Attorney General and the approval of the Court. In the event that the Claims are resolved by settlement under terms involving any "in-kind" payment the contingent fee agreement shall apply to such "in-kind" payment.
 - B. Reasonable and Necessary Costs and Expenses: Liston & Deas shall advance all costs and expenses related to the Claims including, but not limited to, any costs and expenses incurred by DOM and the

DOM and the Attorney General will not pay any costs and expenses incurred in connection with the investigation and prosecution of the Claims. Recovery of any costs and expenses by Liston & Deas is contingent upon a recovery being obtained. Reasonable and necessary costs and expenses include, but are not limited to, those relating to court fees, travel, depositions, investigators, paralegals, computer research, experts, consultants, accounting, and the retention of additional temporary support counsel, as needed. Such costs and expenses shall be approved by the Attorney General and shall initially be borne entirely by the Firm, which may seek reimbursement from the Court for any gross recoveries secured through pursuit of the Claims.

- C. Liston & Deas shall receive no compensation or reimbursement other than set out above. In the event that no recovery is realized, the Firm shall receive no compensation or reimbursement.
7. With the approval of the Attorney General, Liston & Deas may associate with other attorneys in pursuing the Claims at the Firm's own expense and at no cost to the State of Mississippi or DOM. In addition, the Firm shall maintain detailed contemporaneous time records for the attorneys and paralegals working on the Claims in increments of no greater than one-tenth (1/10) of an hour, and shall promptly provide these records to the Attorney General upon

request.

9. The additional terms and conditions as set forth on the Addendum A hereto are incorporated herein and shall be binding upon the parties.

Exhibit A

DETERMINATION OF NEED FOR CONTINGENCY FEE REPRESENTATION

The Attorney General has determined that use of outside counsel is cost-effective, in the public interest and necessary to investigate and potentially pursue claims against CCO's and related defendants, which may have engaged in certain unlawful conduct, including, but not limited to, violations of Mississippi statutes and regulations pertaining to the Medicaid program. Use of outside counsel is necessary because: there does not exist sufficient and appropriate legal and financial resources within the Attorney General's office to handle the matter; the time and labor required necessitates the retention of outside counsel; the novelty, complexity, and difficulty of the questions involved are within the expertise of outside counsel, who in fact possessed the knowledge necessary to discover this issue in the first instance, and the skill requisite to perform the attorney services properly prohibit our office from being able efficiently to do it in-house. The geographic area where the attorney services are to be provided is expansive because of the diverse locations of the defendants, their operations, and the potential witnesses. Outside counsel has the amount and type of experience needed, having worked on a number of complex actions of a similar nature on behalf of state governments.
