

# Dobbs v. Jackson Women's Health Organization

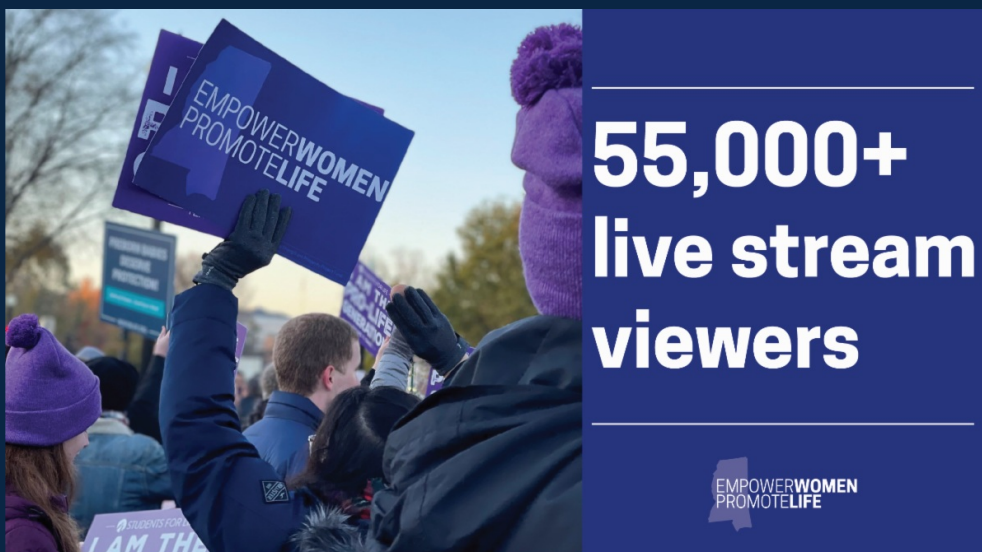

Updates from the Office of MS Attorney General Lynn Fitch

December 3, 2021

Thousands of people came from all over the country to join us at the #EmpowerWomenPromoteLife rally. They were young and old, women and men, liberals and conservatives. Some came to pray for wisdom for the Justices and some came to remind the Court of all that science has taught us about life in the womb. All came to say that we can both Empower Women and Promote Life.

Thank you to all those who hosted over 530 watch parties in all 50 states, D.C. and Canada! In total, over 55,000 people watched the livestream of this historic case as diverse voices made the case for empowering women and promoting life in front of the Supreme Court.
