

# Dobbs v. Jackson Women's Health Organization

Updates from the Office of MS Attorney General Lynn Fitch

December 24, 2021

## Merry Christmas!

Wishing you rich blessings this Christmas Eve! Our Savior took on human flesh and came into this world as a lowly child. He needed his mother's care and Joseph's protection from a ruler seeking to do him harm. May we all seek to encourage women, protect children and defend the most vulnerable in our society. I am grateful for you as you stand for truth and love, seeking to support women and promote life. May you have a joyful Christmas and a wonderful New Year.

-Attorney General Lynn Fitch
